### Speaker by Naim Mu-so

Want the very best from your multi-room music setup at home? Don't settle for a [Sonos speaker](#). Get the excellent Naim Mu-so instead. Blending immersive sound quality with classy British design, this is the one-box wireless speaker to rule them all and it's now available with a special edition champagne finish. So its opulent tones are matched by an equally classy visage. *Robert Leedham*
