

Naim Uniti Star

INFUSING HI-FI VALUES into a one-box solution can be a difficult balancing act, but Naim pulls it off with aplomb. Its Uniti Star, which offers all of the functionality *du jour* but with Naim DNA to ensure it delivers serious sound to match, is a stylish, well-featured all-in-one that's just as comfortable

playing and ripping CDs as it is streaming from your home network or subscription music provider of choice. The Class AB amplifier delivers a fast and powerful sound with oodles of emotion and expressive tonality for total listener engagement. The clue's in the name. This all-in-one is a sonic Star.
